CREATING EXTRAORDINARY EXPERIENCES

Child Care for Winter Break,
President's Week and Spring Break
CENTRAL YMCA

At the Y, all our camps share one thing: they're about creating extraordinary experiences. Just like summer camp, our day camps for Winter Break, President's Week and Spring Break give kids from 1st through 9th grade the opportunity to explore activities, find new talents, gain independence, learn about their environment, and make friendships and memories to last a lifetime. And, of course, it's fun, too.

During a school break, your child can have fun at the Y with games, sports, field trips, exercise, science, songs and dance, cooking, art, and service learning projects. Let us create extraordinary experiences for your child.

WHAT SETS OUR CAMPS APART?

OUR EXPERIENCE

With a focus on youth development, healthy living and social responsibility, at the Y, our camps build skills, confidence and character in a safe, nurturing environment. Children can build a sense of responsibility for themselves and the world around them.

OUR ACCREDITATION

Our camps are accredited by the American Camp Association, meeting the highest standards in nearly 300 areas, including health, safety, personnel, transportation, and facilities.

OUR COMMITMENT

Your child will find the confidence for creative self-expression, new friendships, and new adventures. We offer more than nonstop fun. Your child will learn how to apply time, talent and energy toward a caring, honest, respectful and responsible life.

OUR LEADERS

We are caring, competent and experienced. Our training includes camp safety, activity planning, CPR, First Aid and more, making your child's experience both safe and fun.

OUR PLEDGE

We are dedicated to making your child's experiences at the Y extraordinary. At the end of the day, your child will come home with a positive experience.

OUR FOCUS

YOUTH DEVELOPMENT

Nurturing the potential of every child and teen

We believe the values and skills learned early on are vital building blocks for life. Because of the Y, more young people in neighborhoods around Silicon Valley are taking a greater interest in learning and making smarter life choices. At the Y, children and teens learn values and positive behaviors, and can explore their unique talents and interests, helping them realize their potential. That makes for confident kids today and contributing and engaged adults tomorrow.

HEALTHY LIVING

Improving health and well-being

Serving families has always been at the heart of the Y. We have a fundamental desire to provide opportunities for families to build stronger bonds, achieve greater work/life balance, and become more engaged with their communities. We teach kids to make healthier decisions for their physical and developmental health.

SOCIAL RESPONSIBILITY

Giving back and providing support to our neighbors

At the Y, we create support systems that welcome, celebrate, educate and connect diverse communities. The Y is accessible to all people. Financial assistance is offered to individuals and families who cannot afford membership. We count on the generosity of people like you to contribute to our Y to help provide financial assistance for individuals and families to participate in Y programs. When you give, your gift has a meaningful, enduring impact right in your own community.
