# NURTURE YOUR CHILD'S POTENTIAL

## Licensed Child Care and Preschool EAST VALLEY FAMILY YMCA

At the YMCA, we offer high quality Child Care and Preschool programs that are affordable and conveniently located on school campuses and our main facility. Parents can go to work knowing their children are in safe and stimulating environments.

### **SCHOOL AGED CHILD CARE** (K-6th)

Our licensed Child Care centers are family-centered and values-based. We nurture children's healthy development and academic potential in a fun and enriching manner. We encourage family involvement through special events, newsletters, parent advisory committees, and volunteers in the classrooms. Our expert staff are caring and meet or exceed licensing regulations for background checks, education, and experience.

### **LICENSED PRESCHOOL** (Ages 3-5)

YMCA Preschool offers a wonderful place where your child can learn and grow in a safe and nurturing environment. The program is operated on an experiential learning philosophy—children learn by doing. Kinder Readiness skills are developed throughout this high quality program.
