NURTURING YOUR CHILD'S POTENTIAL

at Paradise Elementary
MT. MADONNA YMCA**

HELPING OUR CHILDREN THRIVE

At the Y, we're committed to nurturing children with roots for success. They gain confidence as they recognize the Y as a place where they belong and can feel comfortable exploring new interests and passions. We make sure that every child has an opportunity to envision and pursue a positive future.

YOUTH DEVELOPMENT

Nurturing your child's potential

We believe the values and skills learned early on are vital building blocks for life. That's why Kinder Readiness at the Y focuses on holistically nurturing your child's development by providing a safe, healthy place to learn foundational skills, develop positive, trusting relationships and build increasing independence.

KINDER READINESS (Ages 3-5 years)

Kinder Readiness at the Y prepares your child for kindergarten through developing their physical, social and cognitive skills and their language and reading skills. To participate, children must be potty-trained.

EDUCATIONAL OBJECTIVES

Our goal is to help your child grow to full potential physically, socially and emotionally. They'll explore concepts of color, shapes, letters and numbers, and listening and following directions in a supportive, curriculum-based program. We explore the need for large and small motor skills, following directions, and choice-based activities while incorporating our values of caring, honesty, respect and responsibility.
