OCTOBER 2011

Hello Y Families,

With autumn finally here, our site is super excited about all the wonderful things we have planned for the month!

For the month of October, some of our main focuses and themes are the following:

- Personal Goals
- Youth Leadership (Service Learning)
- Harvest (Squash and Pumpkins)
- Poetry and Arts
- All Fall Things

With all these themes in mind, we have created a fun Activity calendar that will be posted on our Parent's Wall. Please note that we always welcome suggestions and feedback about our programs and activities. So please feel free to contact the staff anytime.

We would also like to remind our Y Families about the important dates listed on the side. On October 4th, there will be no

school and we will remain open for normal business hours. Please make sure your child is signed up before they attend. If your not sure what Plan your child(ren) is on, please ask the staff.

This October 20th, more than 7,500 communities and 1 million Americans will celebrate *Lights On Afterschool*, a nationwide event organized by the Afterschool Alliance to rally support for afterschool programs and help call attention to the benefits of afterschool programs. On October 20th, from 4:30-6:15 we will be carving pumpkins with the children and invite all the families to come join the fun! Just send your child with a pumpkin and join the celebration!

A separate flyer be posted in the next several days for this event as well as our volunteer list for our Costume party on October 31st.
