## Model United Nations PALO ALTO FAMILY YMCA

The California YMCA Youth & Government Model United Nations is a middle-school (Grades 6 - 8) leadership program that simulates a "real-life" United Nations Assembly. Ambassadors will research, debate and establish policies, treaties and resolutions focusing on international issues, including disputes between countries, peace-keeping responsibilities, border crisis, stabilizing financial markets, and dealing with hunger, disease, and poverty.

Ambassadors can be a part of one of several organizations that make up the U.N., including the General Assembly, Security Council, International Court of Justice, the Economic and Social Council (ECOSOC), Non-Government Organizations (NGO), and an international press delegation. Roles will be defined and discussed in detail at our weekly meetings.
