# EXPLORE LEARN, PLAY & TRAIN AT CAMP

## Camps Ages 6-14 SOUTH VALLEY FAMILY YMCA

Y camps always meet the need of you and your child, whether it is to learn, play and grow during the holiday season or develop leadership skills year round.

### TEEN CAMP

**Leaders in Training I** Teens begin to develop skills to help them become Y and community leaders in this initial leadership training camp. During the week participants enjoy team building activities, learn the basics of CPR and First Aid, receive training in behavior, risk management, supervision, and water safety, observe camp staff, and learn camp songs and skits. The week ends with a graduation ceremony.

**Dates:** Apr 9-13  
**Location:** Allen at Steinbeck School  
**Ages:** 12-14  
**Cost:** \$215

**Leaders in Training Fieldwork** puts the skills and leadership skills learned to the test. Teens are placed into an age appropriate camp with trained YMCA staff. They assist directors, help lead games, lead arts and crafts projects, and sing camp songs. LITs also lead a group activity with their campers and are evaluated by staff at the end of the week. LIT teens are not staff and will not be left alone with the younger campers. Mandatory prerequisite: LIT I and LIT II combined in current or previous years. All new LIT participants must have completed both courses before acceptance into fieldwork is granted. Teen overnighter is not included with fieldwork registration.
