CampSpace Login Help

All Camper Forms are completed through an online system called Playerspace or Campspace. Through this website, you will have access to your Parent Center, where all of your required camper forms are housed.

**CampSpace Login Process:**

1. Once a camper has been registered for summer camp you will receive an email with the subject line **ACTION REQUIRED** from Playerspace.com. The email will include information about what forms need to be completed. After reviewing the email please click the **Purple Parent Center** button within the email to take you to the Parent Center.

2. Once at the Parent Center please login or follow the instructions to create your password and then complete the required forms. If you have more than one child enrolled in camp you will have to use the link associated with each child to complete their forms (these will be in separate emails).

**Note:** If you do not see this email please check your spam folders, if you are still unable to locate this email please email us at redwoods@ymcasv.org and include the name of your camper and the email address you used to register. When accessing and updating forms in the parent center it is highly recommended that you use a computer and use Chrome as your browser vs. a tablet or smartphone.

If you follow the link and come to a screen with a **RED Box** saying your account is locked/you do not have access button try to login in the upper right-hand corner. (see screenshot below)

If you do not yet have a username and password please create one, if you have forgotten your username and password please follow the steps to reset your password. If you get an error message that your link has expired please contact Camp Campbell at Redwoods@ymcasv.org or at (831)-338-2128 to receive a new link via email.

**Parent Reminders:**

- All forms are due three weeks before the start of your camper’s session.
- Forms must be signed by parents within the calendar year (January 1st, 2020 forward)
