

YMCA OF SILICON VALLEY  
**HEALTH CODE OF CONDUCT**

**1. HEALTH & WELL-BEING**

If you are not feeling well, please take care of yourself and not come to the Y until you are feeling better.

- I understand that the Y staff will inquire after my health and will ask me to follow any current state/local health directives.
- If I do not feel well or my fever is over 100.4°F, I agree not to visit the Y until I am symptom free.

**2. FACE COVERINGS**

Y staff will be wearing face coverings based on current state/local directives and may choose to wear face coverings even if not mandated.

We ask members to follow all state/local directives regarding face coverings and vaccinated members are welcome to wear face coverings if so desired.

We are asking all members and staff to respect each other’s medical privacy by not asking about someone’s vaccination status. Wearing a face covering cannot be assumed to be directly connected to a member or a staff’s vaccination status.

**3. SOCIAL DISTANCING**

We have modified our facilities, equipment and programming to encourage physical distancing. Please be mindful of spacing as you interact with others.

**4. CLEANLINESS**

The Y will provide sanitizer stations throughout the building. Y staff will execute on cleaning protocols throughout the day.

- I agree to wipe down all equipment after use and to sanitize/wash my hands before working out.

**WAIVER:** In light of the COVID-19 pandemic, I affirm the current YMCA Waiver, and assume the risk of use of the YMCA. If a Y team member asks me to do one of the above, I will cooperate to the best of my ability.

**I HAVE READ AND ACCEPT THE HEALTH CODE OF CONDUCT.**
