

**Project Cornerstone** and the **YMCA** encourage you to create a caring neighborhood. Making connections with neighbors invites community. Discover ways to connect, even at a distance!

- Write supportive, caring, or funny chalk messages on the sidewalk.
- Make posters to put in your windows encouraging neighbors to smile and wave.
- Have a "distance" neighborhood scavenger hunt. (Find a rose, a blue house, a cat in the window).

Developmental Asset #4 - CARING NEIGHBORHOOD: Young person experiences caring neighbors.
