Project Cornerstone's 2020 Asset Champions Awards Breakfast, to be held on March 31, 2020, will honor the individuals and organizations whose ongoing commitment to building positive relationships with young people helps make Silicon Valley a better place for young people to live and grow. More than 1,000 people representing local governments, businesses, schools, community organizations, and the faith community are expected to attend.

By sponsoring the Asset Champions Breakfast, your organization shows its support for a healthier community where all young people can thrive. All sponsorships receive brand recognition before the event and marketing exposure during the event.
