

Discover your creative side! Whether it's drawing, singing, playing an instrument, or acting – let your imagination shine! You're a star.

- Using sidewalk chalk, write positive messages for your neighbors
- Make up your own dance or song, or write a poem about something that makes you happy
- If you could play any instrument, which one would it be?
- How do you feel when you create or try something new?

Developmental Asset #17 — CREATIVE ACTIVITIES: Young person spends time each week in creative activities.
