

YMCA Project Cornerstone celebrates *you* — just as you are. Take a moment to reflect and share what you like about yourself with a caring adult, sibling, or family member.

Celebrate who you are by taking time to:

- Embrace what makes you unique
- Recognize your strengths and talents
- Celebrate your accomplishments
- Learn about your family's heritage and roots

Stand tall and be proud of your identity!

Developmental Asset #41 — POSITIVE CULTURAL IDENTITY: Young people who feel proud and confident in their identity.
